Uncompromising Versatility

The EXPEDIUM® Universal Connector Set is a streamlined and comprehensive tray containing all the connectors needed to revise and extend most thoracolumbar constructs. As part of the EXPEDIUM® family of innovative designs, the Universal Connector Set expands the breadth of options to treat challenging cases.
Indications

The EXPEDIUM® Spine System is intended for noncervical pedicle fixation and nonpedicle fixation for the following indications: degenerative disc disease (defined as back pain of discogenic origin with degeneration of the disc confirmed by history and radiographic studies); spondylolisthesis; trauma (i.e., fracture or dislocation); spinal stenosis; curvatures (i.e., scoliosis, kyphosis, and/or lordosis); tumor; pseudoarthrosis; and failed previous fusion in skeletally mature patients.

Limited Warranty and Disclaimer: DePuy Spine products are sold with a limited warranty to the original purchaser against defects in workmanship and materials. Any other express or implied warranties, including warranties of merchantability or fitness, are hereby disclaimed.
